Move Ups:

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary in writing not later than 8 PM (CST) of Monday, November 27, 2017. Dogs qualifying for a title on December 1 or December 2 may be moved up to a higher class for the following day provided the request is made to the Trial Secretary in writing at the trial site until 30 minutes after the end of agility judging that day. **If an email address is provided, email notification of your move-up will be sent prior to closing as move-ups are processed. If you do not receive an email confirmation of your move-up, please verify receipt of your move-up with the trial secretary.**

To help resolve the confusion that has been occurred over the years with Excellent A and Excellent B classes, which are two distinctly different classes, we are renaming them to match the names of the titles that are earned from those two, different classes. The requirements to qualify are different in each of these classes as is the title earned when they complete the title requirements. In an effort to eliminate this confusion, as of January 1, 2013 the name of the Excellent A class will change to "Excellent" and the name of the Excellent B class will change to "Master".

Please note, only the name is changing. The class themselves and the titles earned remain the same. The changes will be as follows:

Excellent A will change to Excellent

Excellent A Preferred will change to Excellent Preferred

Excellent B will change to Master

Excellent B Preferred will change to Master Preferred

Prizes and Awards:

Classes will have rosettes or flat ribbons awarded to the 1st through 4th place in each jump height. Dogs must qualify to receive placement ribbons. Qualifying ribbons will be awarded to all dogs receiving qualifying scores
