

### **Priceless Beginnings:**

**“ To make a priceless difference in lives impacted by domestic violence.”  
We provide new and priceless beginnings to children impacted by domestic violence— scholarships, camps etc.**

**Increase awareness and provide information and resources for domestic violence victims and their families.**

**Jax’s fund** will help domestic violence victims with resources to get out with their pets. Statistics show that people will stay in bad situations if they don’t have a way out with their pets.
