Make sure to get them before you leave the trial. None will be mailed after the trial.

Only 1st place ribbons are awarded in T2B Titling class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Dogs must qualify to receive placement ribbons. Title ribbons, MACH/PACH ribbons and MACH/PACH bars will also be awarded.

Height divisions		
Regular	Preferred	
Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than that mandated by AKC.	These jump heights must be used in all Preferred classes:	Owners are responsible for entering their dog in the proper height divisions. For dogs measuring...
8"	4 "	11" & under at withers
12"	8"	14" & under at withers
16"	12"	18" & under at withers
20"	16"	22" & under at withers
24"	20"	over 22" at withers Regular dogs may not be entered in this height if they are 22" or under
24C"	N/A	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Dogs eligible to enter:

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number. Approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness that may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Notice to exhibitors

- Choke collars, pinch collars, prong collars, electric and dummy electric collars are prohibited on trial grounds.
- WAG and Bell County Expo Center assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers or to any of their dogs or property and further assumes no responsibility for injury to children.
- Exhibitors are responsible for being at the ring gate when it is their turn to run. Judges need not wait for any dog holding up a class. WAG and Bell County Expo Center and the Trial Secretary have no obligation or responsibility for locating dogs that are not brought into the ring when required.
- Exhibitors are responsible for picking up after their own dogs. A clearly marked exercise area will be located near the show barn.
- All dogs present must be on leash or confined to crates when not being judged, except when in the designated warm-up area.
- Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.
- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all the obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the Trial Committee.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In that case, no refund of any fees paid will be made.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, extreme weather, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.
- Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries cannot be entered in the show. **IF THE ENTRY FORM IS PHOTOCOPIED OR FAXED, THE AGREEMENT ON THE BACK OF THE FORM MUST ALSO BE PHOTOCOPIED OR FAXED AND ATTACHED TO THE ENTRY WHEN IT IS MAILED OR FAXED.** Entry forms cannot be accepted if they are not signed or specify any conditions to their acceptance.
- No refunds for duplicate entries. However, care will be taken to find duplicates before processing. Owners are responsible for errors in making out entry forms, and no entry fee will be refunded in the event of such errors.
- Checks that have been returned due to insufficient funds do not constitute a valid entry and will have a \$25.00 service charge attached.
- Bitches in season are not permitted to compete or **be on the trial grounds**. For bitches in season, entry fees minus \$10 per day in expenses will be refunded if a vet's certificate and written notification is provided. The Trial Secretary must receive written notification no later than 30 minutes before the start of the first class of the day of the trial.
- WAG reserves the right to decline entries for cause and may remove any dog on account of aggression, disease, deformity, injury or illness that may affect the dog's physical or mental performance. No one shall have any recourse or claim against WAG or any official thereof.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

Waco Agility Group would like everyone to know we are working on making sure we are providing a safe environment for our dogs and agility community. We have a running order to keep social distancing and contact to a minimum.

1. Per the Governor's executive order, masks will be required in the building. we will have masks available

You will be permitted to run without a mask but must put it back on when you leave the ring.

Configure your facility such that customers or patrons are separated by at least 6 feet from others not within the individual's group while at the facility. The individual's group may not exceed 10 individuals who go to the facility together. A group is defined as no more than 10 persons including the members of the household and those persons who traveled together to the event or facility." **This means if you are traveling or crating in an individual group of 10 or less, you do not have to be 6' apart.**

2. We will have gloves for anyone who wants them.
3. We will have hand sanitizer available throughout the area. There will be stations of pop up shop towels and spray disinfectant. Pop up disinfecting wipes will also be stationed around.
4. We will make sure the Expo cleans the restrooms more often
5. There will be no stands for people to sit in and this will allow for more crating space and social distancing
6. There will be no vendors, again, more crating space and social distancing.
7. The leash runner will use a pick up tool that will be sanitized after each use or the competitor can run with their leash in their pocket or clipped around their waist
8. Next competitor will not come in to the ring until the other competitor is on the way out.
9. Entrance and exit doors will be labeled.
10. The timer and scribe will be set up 6' on either side of the trial secretary so no scribe sheet runner will be needed and limited contact for Christie
11. We will limit the number of handlers in each walk thru

12. We will use the microphone to announce next dog online no need for gate steward.

13. One person will handle ribbons and stickers

14. No food will be provided. No shared food ie no MACH/PACH . Birthday or Retirement cakes.

The Expo plans on having the concession stand open.

15. We will ask that only people competing attend.

We will be using Agility Gate and the TV monitors at the gate area

Thank you for your help in maintaining safety for everyone who attends.
